Forecast For Scotland
Issued by Met Office Aberdeen
at 1600 on Saturday 01 May 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Some sunshine on Sunday with scattered showers breaking out.

This Evening and Tonight:
Showers mostly dying away later this evening, although a few continuing overnight, especially across the northeast. Otherwise becoming dry with clear periods and some patchy frost, mainly in the south.

Sunday:
A lot of dry, bight weather across south and west Scotland with sunny spells and a few showers. Cloudier in the east with more frequent showers breaking out. Staying cool.

Outlook for Monday to Wednesday:
Persistent rain extending across southern half of Scotland during Monday with scattered showers further north. Rather cold, bright and showery on Tuesday and Wednesday with overnight frost in places.
